Field Trip:

Lets Fly to Missoula Butterfly House

Description:

Join us on our flight to The Butterfly House in Missoula! We will explore a tropical greenhouse filled with butterflies from all around the world and an Insectarium that has insects, arachnids, millipedes, centipedes and crustaceans.

Purpose:

This field trip is designed to teach children about math and science. Math is covered by measuring, counting, and comparing the bugs. Science is explained through the type of environment bugs live in and the difference and classification.

Itinerary:

10:00 AM- Arrival and introduction  
10:30 AM- Lil Bug Story time  
11:00 AM - Walk through Butterfly House  
12:00 PM - Round up  
12:30 PM- Lunch  
1:00 PM Insectarium  
2:00 PM Departure

Safety Concerns:

There will be one adult per 3 students  
We will do child counts every hour  
We will have a designated meeting spot for any transition

Background Information:

Missoula Butterfly House has a gift shop and exhibit area

Planning:

Permission slips need to be turned in as soon as possible! Please send children with water

If you'd like to donate snacks for the trip you are more than welcome to
